

**Nine people  
die every day  
due to asthma.**

# 25 million

Number of U.S.  
adults and children  
with asthma

# \$56 billion

Estimated annual  
asthma-related costs

**Black  
children  
are**

**Twice as  
likely to be  
hospitalized**

**More than twice  
as likely to have  
an ED visit**

**Four time  
as likely  
to die**

**When it comes to asthma, housing isn't just the problem. It might also be the solution.**

**Asthma can be  
controlled.**

**We know  
what works.**

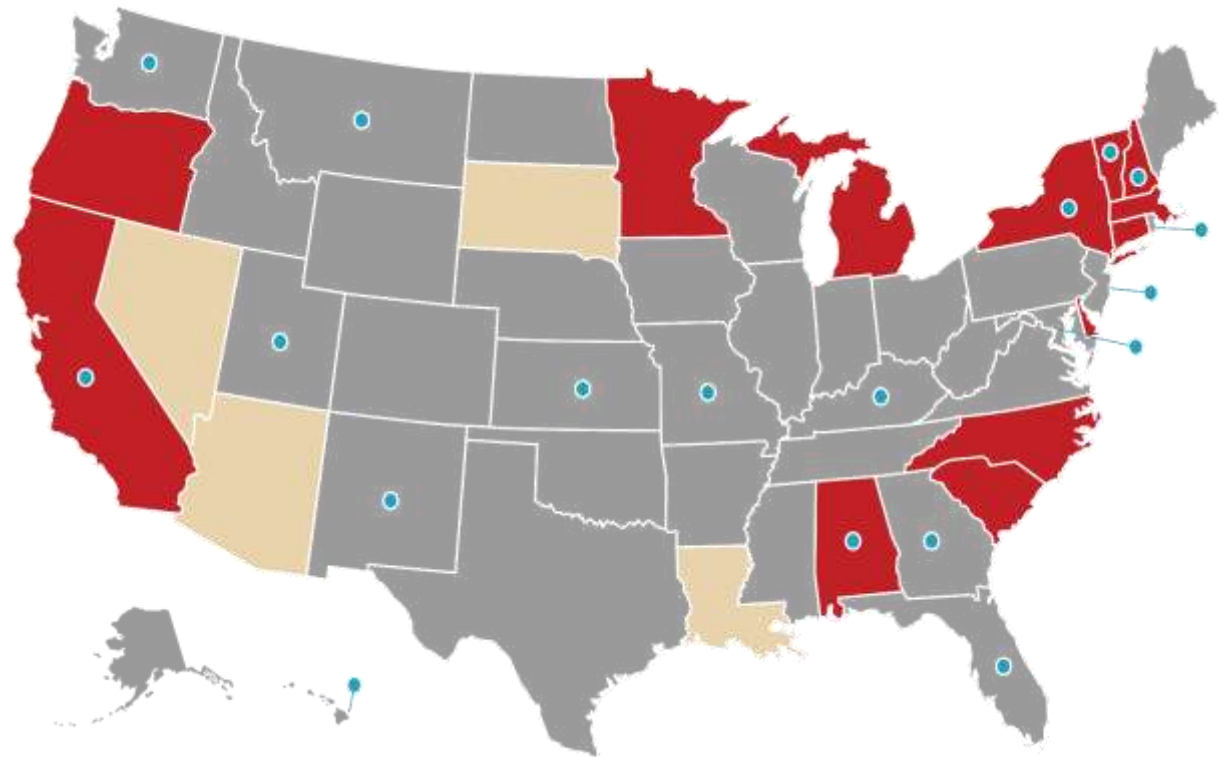

The power to transform lives is in our reach.
